- 1) The footpath from the corner of Perrymill Lane to Sambourne Lane has been slurried. Work will continue on the footpath from Wood Terrace to the Church and the PC can have some input with SDC concerning the width of the path. - 2) The footpath at Capilano Corner disappears and is dangerous to pedestrians as situated on a blind bend. Paul Cowley to be informed.
- 3) The pull-in by Middletown Lane Farm is very overgrown and needs clearing.

Before this can proceed there is a requirement for a Housing Needs Survey to be initiated by the Parish Council.
